## Committed to delicious and safe gatherings

Market Hall Caterers is open and committed to making your gatherings as delicious and safe as possible. While we're known for our platters and shareable menus, many of our items can be packed in individual portions. We also offer contact-free delivery or pickup options in Oakland and Berkeley.

Our strict safety measures remain in place and include:

- Wearing facemasks while preparing, packing, delivering and setup, as well as when serving food at full service events.
- Contact-free payment and delivery (upon request).
- Additional cleaning and disinfecting procedures, including delivery vans.

We deeply appreciate your support to small businesses like ours.

Thank you,
